CHILDREN

AGES 6 - 11 YEARS OLD

Full immersion French camps are a great way to keep your kids active and up to speed in the language. Practice over the summer. Specialized instructors provide campers with a continuous mix of games, activities and projects designed to build vocabulary and conversational ability.

TEENS

AGES 12 - 18 YEARS OLD

Small classes ensure one-on-one interaction as teens build their French speaking, listening, reading, and writing skills at any level. Our multidisciplinary approach promotes interactions in French through role-playing everyday tasks to awaken teens' interests and imaginations. Every session, we offer a new theme with hands-on activities or a specific field trip.
